

Report on Expert Lecture on “Career Counselling for Higher Studies” Organized by the Department of Civil Engineering, Integral University on 13th January 2025

The Department of Civil Engineering, Integral University, organized an expert lecture on “Career Counselling for Higher Studies” on January 13, 2025, at F020, Block F, Integral University in collaboration with **Global Reach**, Lucknow. The lecture aimed to provide students with comprehensive insights into various academic pathways and career opportunities. It sought to enhance their understanding of emerging trends, in-demand skills, and global educational prospects, empowering them to make well-informed decisions about their academic and professional futures.

Participants during the Lecture

The keynote speaker for the event was Ms. Shagun Arora, Assistant Recruitment Adviser, Manchester Metropolitan University. During her insightful lecture, Ms. Arora addressed critical aspects of higher education, including emerging academic disciplines, career opportunities, and global trends shaping the future of engineering. She provided valuable

Guest Speke addressing the Event

guidance on options for higher studies across diverse fields, emphasized the importance of skill development, and shared strategies for selecting the right courses and institutions. The session also explored scholarships, internships, and exchange programs, offering practical advice on navigating admission processes and preparing for competitive exams. Additionally, the lecture highlighted the need to adapt to industry demands and foster

innovation for sustainable career growth.

The session was attended by 29 undergraduate and postgraduate students from the Department of Civil Engineering and Mechanical Engineering. Following the lecture, students actively

participated in a Q&A session, raising several queries, all of which were thoughtfully addressed by the speaker.

The event concluded with a vote of thanks delivered by Mr. Kashif Khan, Associate Professor, Department of Civil Engineering. He expressed sincere gratitude to Ms. Arora for her comprehensive and inspiring lecture, which provided valuable guidance to the students. Mr. Khan also acknowledged the guidance and support of Prof. Syed Aqeel Ahmed in organizing such career-oriented events and commended the students for their enthusiastic participation.
