## Event Schedule:

10:00 am to 12:00 pm

The students of B. Sc. 3<sup>rd</sup> Year & A.N.M. 1<sup>st</sup> Year Nursing attended the program, the program was hosted by Ms. Priscilla Varghese. The program was conducted with the help of the class coordinators Mrs. Arti Singh Chauhan.

The rally started from the NURSING BUILDING F- Block and went from the OPD Building till the front gate of hospital. the students chanted the slogans against the cervical cancer and its prevention the rally ended at Sansarpur Village, Anganwadi, Kursi Road.

A skit was organized by the B. Sc. Nursing 3<sup>rd</sup> Year Students In the Sansarpur Village Anganwadi All the women & Female children along with the male adults were invited for the health talk. The main goal of this event was to educate them and aware them about the signs & symptoms, its causes, medical care, diagnosis and prevention for cervical cancer with A Focus on Promoting Community health & wellbeing. On 10<sup>th</sup> January, A total of 65 students along with coordinators & other teaching faculty of IINSR embarked on the community visit to the Anganwadi Center in Sansarpur, Kursi Road, Lucknow, U.P. The visit aim to provide students with practical exposure to primary health care practices & the role of nurses in community health. A companied by the **Prof. (Dr.) Annie Chandra S., Dean, IINSR, Dr. Farzand Ali, Principal, IINSR** and the faculty members, the students had the opportunity to observe & engage with community people in primary care setting. The visit serve as the platform for the student to understand the importance of collaboration and for spreading the awareness of disease condition among the community members.

The summarization of the event and the health talk was given by one of the faculty members, they also expressed gratitude to all the participants & the community members and the Anganwadi members espically **Mrs. Savita Rawat** who was the member of Anganwadi committee for attending the event and for their contributions in making the program a success.

## Objectives:

1. To provide an opportunity to the students to exposure the clinical community settings.
2. To educate the students regarding the importance of community visits and spreading awareness among them.
3. To educate and aware the community members about the causes & risk factors, sign & symptoms, screening methods and preventive measures of cervical cancer
