On

Gender Equity: Opportunities and Challenges

Organized by

Department of Chemistry and

Department of Environment Science

In collaboration with NSS, IU Unit & Association of Chemistry Teachers (ACT)

Date: 3rd August, 2024, Time: 10:30 am, Venue: D 113

Details in a nutshell:

Total Number of participants	Faculty	Students
45	13	32

On 3rd August 2024, the Departments of Chemistry and Environmental Science in collaboration with the NSS, IU unit and Association of Chemistry Teachers (ACT), organized an Awareness Programme through slogan writing on Gender Equity: Opportunities and Challenges. Practicing and endorsing gender equity is very necessary for a prosperous and sustainable world. The activity was aligned with **Sustainable Development Goal 5 (Gender Equity)** as well. The participants made quite edifying and attractive slogans which were judged based on content, creativity and relevance to the theme. The event was judged by Dr. Shadab Ahmad Khan from the Department of Mathematics and Statistics and Dr. Mohd. Imran Ahmad from the Department of Chemistry, coordinated by Dr. Tahmeena Khan, Dr. Firoz Hassan, Dr. Amina Jafri and Dr. Anand Mishra. The names of the winners are given below:

• **Slogan writing:**

Ist position: Anfa Parvez (B.Sc. (H) Mathematics)

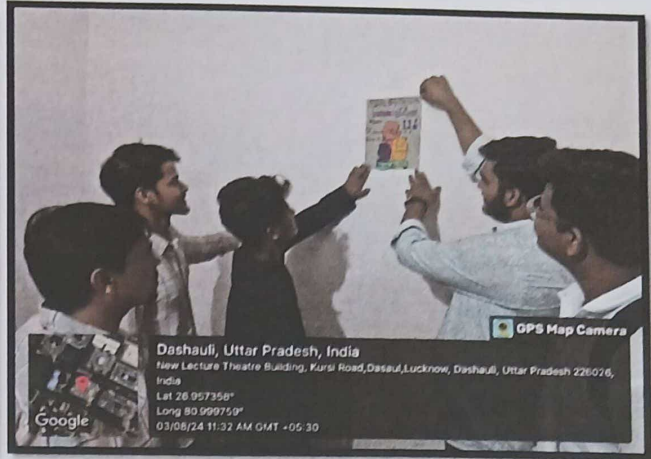

IInd position: Afreen Bano (M.Sc. Physics)

IIIrd position: Abdul Ahad (B.Sc. (H) Industrial Chemistry)

To spread awareness, the best sketches were displayed at the nearby stationary shops, photocopy shops, and Punjab National Bank, Dasauli branch. A total of 25 students attended the programme.
