The students of G.N.M. 1st & 2nd Year Nursing attended the program; the program was hosted by Ms. Priscilla Varghese. The program was conducted with the help of the class coordinators OF G.N.M. 1 & 2nd YEAR Ms. Saina & Mr. Salik Hayat.

Name of the Event:

Rally / Awareness & Sensitization Programme on World Leprosy Day 2026

Date:

30 January 2026

Organizing Unit:

Integral Institute of Nursing Sciences & Research (IINSR),
Faculty of Nursing, Integral University, Lucknow

Venue:

Ground Floor, F-Block, Phase-IV, IINSR

Theme of the Event:

"Leprosy is Curable, the Real Challenge is Stigma"

Participants:

GNM 1st Year and GNM 2nd Year Students

Number of Participants:

150 Students

Objectives of the Programme:

- To create awareness about leprosy and its curability
- To sensitize students regarding early detection and treatment
- To reduce stigma and discrimination related to leprosy
- To promote community health awareness among nursing students

Details of the Event:

On the occasion of **World Leprosy Day 2026**, the Integral Institute of Nursing Sciences & Research organized a **Rally / Awareness & Sensitization Programme on 30 January 2026 at 10:00 AM**.

The programme was conducted at the **Ground Floor, F-Block, Phase-IV, IINSR**. The rally commenced at **F-Block**, passing by the **Hospital OPD Building, G-Block**, and the **Main Hospital building**. The procession exited through **Gate No. 3**, proceeded along the main road, and eventually re-entered the college premises via **Gate No. 2**. The Rally started from F-Block Faculty

FACULTY OF NURSING

INTEGRAL UNIVERSITY, LUCKNOW

INTEGRAL INSTITUTE OF NURSING SCIENCES & RESEARCH

members addressed the students and highlighted the importance of World Leprosy Day and the theme emphasizing that leprosy is a curable disease and stigma remains the major challenge.

GNM 1st and 2nd year nursing students actively participated in the rally by displaying placards, posters, and awareness messages focusing on early diagnosis, prevention, availability of free treatment, and elimination of myths associated with leprosy. The event aimed to educate and sensitize students and the community towards acceptance and inclusion of persons affected by leprosy.

Outcomes of the Event:

- Increased awareness about leprosy and its management
- Improved understanding regarding social stigma and discrimination
- Enhanced sense of social responsibility among nursing students
- Active student participation in community health promotion

SDGs Addressed by the Event:

The Rally / Awareness & Sensitization Programme on World Leprosy Day 2026 contributed to the achievement of the following

Sustainable Development Goals (SDGs):

SDG 3 – Good Health and Well-Being:

- Promoted awareness about leprosy, its early detection, prevention, and availability of effective treatment
- Encouraged health-seeking behavior and reduced fear related to leprosy
- Supported community health education and disease prevention initiatives

SDG 4 – Quality Education:

- Provided experiential and value-based learning to nursing students
- Enhanced students' knowledge, skills, and attitudes related to public health and communicable diseases
- Strengthened professional competency and social responsibility among future healthcare providers

SDG 6 – Clean Water and Sanitation (Indirect Contribution):

- Reinforced messages related to hygiene and sanitation as part of disease prevention
- Encouraged awareness about maintaining personal and environmental cleanliness

Conclusion:

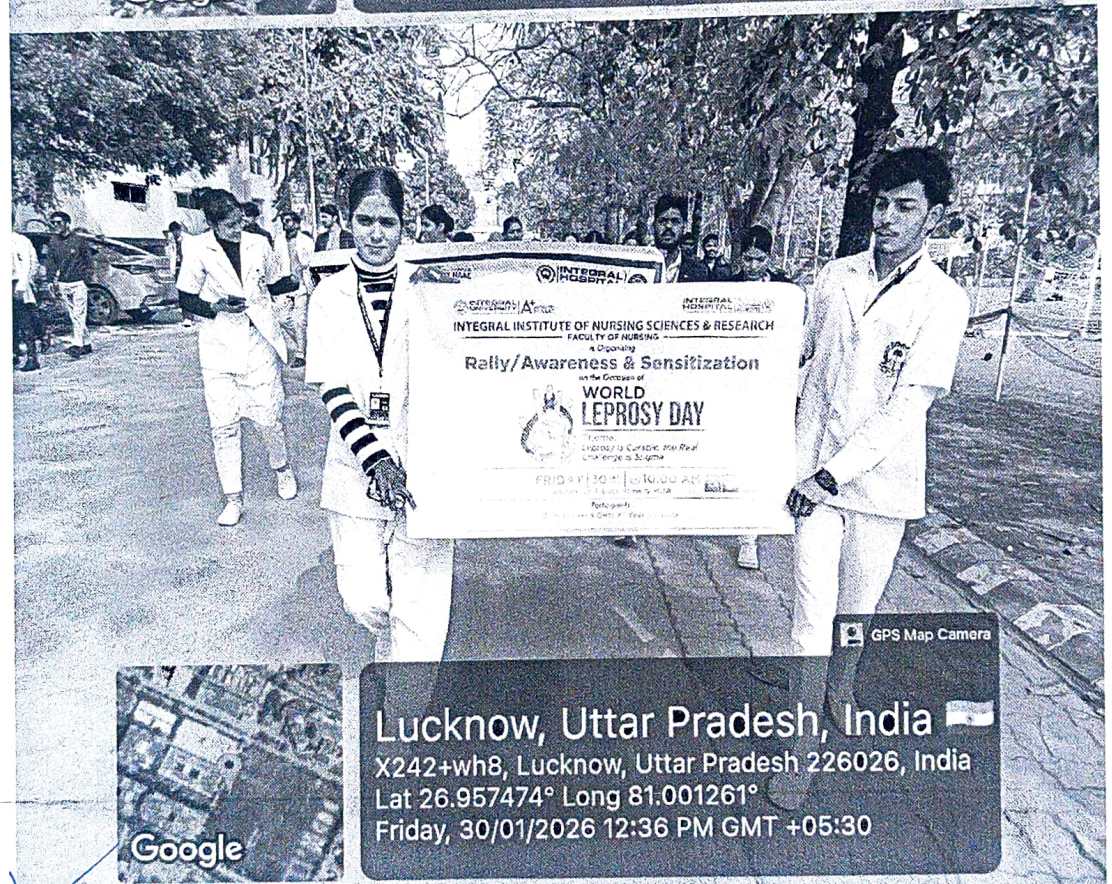

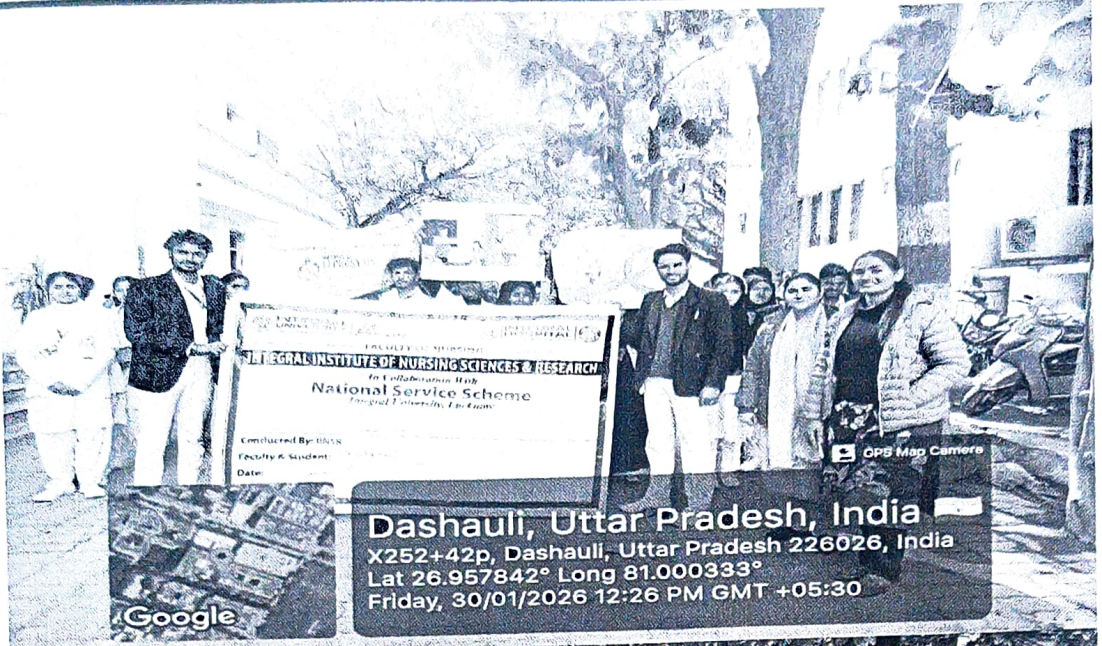

The programme was successfully conducted and effectively conveyed the message that leprosy is curable and stigma must be eliminated through awareness and education. The event contributed positively towards community health sensitization and student learning.
