The programme was conducted at the **Ground Floor, G-Block, medical block OPD Building**. The Program Began at 2 .00 PM with a warm welcome by Mrs. Sushma Chaudhary participants and Audience members where briefing about the significance of world cancer day.

The Drama club presented a thought-provoking Nuked natak Title **Reproductive health, cervical screening & HPV vaccine awareness** the street play used relatable characters and real life situations to illustrate:

- Causes of cancer (e.g. tobacco use, unhealthy lifestyle).
- Impact on patient and families.
- Important of seeking timely medical advice.
- Emotional support and community involvement.

The actors communicated messages with clarity, emotion, and enthusiasm, engaging the audience and encouraging thoughtful reflection. The audience responded with applause and interactive feedback.

Audience Interaction:

Prof. (Dr.) Annapurna C. Reddy
Vice-Dean, Faculty of Nursing
Integral University, Lucknow

Prof. (Dr.) Ashfaq Khan
Director
Integral Institute of Nursing
Sciences & Research
Integral University, Lucknow

FACULTY OF NURSING

INTEGRAL UNIVERSITY, LUCKNOW

INTEGRAL INSTITUTE OF NURSING SCIENCES & RESEARCH

After the play, a short Q&A session was held where participants shared their thoughts and asked questions about cancer prevention and support systems. The facilitators provided helpful insights and resource:

Outcomes of the Event:

- Increased awareness about Cancer and its management
- Improved understanding regarding social stigma and discrimination
- Enhanced sense of social responsibility among nursing students
- Active student participation in community health promotion

SDGs Addressed by the Event:

Reproductive health, cervical screening & HPV vaccine awareness on World Cancer Day 2026 contributed to the achievement of the following **Sustainable**

Development Goals (SDGs):

SDG 3 – Good Health and Well-being

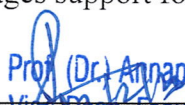

- Ensure healthy lives and promote well-being for all at all ages.
- Promotes awareness about cancer prevention and early detection.
- Encourages healthy lifestyle choices (avoiding tobacco, healthy diet, and exercise).
- Reduces mortality from non-communicable diseases (NCDs) like cancer.
- Supports mental and emotional well-being of patients and families.

2. SDG 4 – Quality Education

- Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.
- Provides health education through nukad natak and awareness talks.
- Increases knowledge about cancer myths and facts.
- Encourages informed decision-making regarding health.

3. SDG 10 – Reduced Inequalities

- Reduce inequality within and among countries.
- Raises awareness among all sections of society, including vulnerable groups.
- Promotes equal access to information and healthcare services.
- Encourages support for economically weaker cancer patients.

4. SDG 17 – Partnerships for the Goals

- Strengthen the means of implementation and revitalize the global partnership for sustainable development.
- Encourages collaboration between educational institutions, healthcare professionals, and community members.
- Promotes collective action against cancer.

Conclusion

The World Cancer Day programme through nukad natak directly supports SDG 3 (Good Health and Well-being) and indirectly contributes to SDG 4, SDG 10, and SDG 17, by spreading awareness, promoting education, reducing inequalities, and encouraging community partnership in cancer prevention and care.
