The Faculty of Education, Integral University, Lucknow organised an Extension activity under the Skill India Mission at Integral International School, Sansarpur, Lucknow on 28 October 2025. The programme was designed with the objective of creating awareness among school students about the importance of skill development in today's rapid evolving world. In alignment with the national vision of empowering youth through practical competencies, the activities sought to inspire students to develop a range of vocational and life skills that would prepare them for future, academic and professional challenges. By encouraging with young learners at school level, the initiative aims to cultivate early interest in hands on activities, creativity, problem-solving, and self-reliance important attributes for success in the 21st century.

The event commenced with a warm welcome address delivered by Sana Abdur Rafe, B.Ed. student on behalf of all the organizing members of Faculty of Education setting a positive and motivating tone for the day. This was followed by address by Dr. E. Ahmad, Head, Dept. of Education. He motivated students to inculcate Atmnirbharta in every field of life. Principal Mr. Rashid khan was also addressing the students and give them tips regarding the various skill required in general life.

A quiz competition on the theme *Skill India Mission* with the objective of creating awareness about skill development initiatives in India, was conducted by the B. Ed. Students. The quiz was conducted in a well-planned and enthusiastic manner. Students actively participated and demonstrated their knowledge regarding vocational skills, entrepreneurship, and employment opportunities under the Skill India Mission. The quiz encouraged critical thinking and healthy competition among participants. To motivate and appreciate participation, prizes were distributed to all participants at the end of the program. The event was informative, engaging, and educational.

As the program reach its conclusion, Prof. (Dr.) A.K. Lodi interacted in very magnificent way with the students and share his unique and thoughtful way to recreate the beauty of life. Students get involved and enjoyed a lot. Lastly gratitude was expressed towards the school authority for their corporation, the faculty member for their dedicated planning and facilitation, and the NSS volunteers for their enthusiastic support. Appreciation was also extended to the students for their active participation and eager to learn. The extension activity is not only meaningful interaction between the university and the school community, but also serve as a valuable platform to promote the objectives of skill India mission.

Overall, the event was a successful and inspiring example of Educational outreach aimed at promoting skill-oriented learning among young minds .The event was organized by the Faculty Coordinators Dr. Smita Srivastava, Dr. Shaista Ateeque and Dr. Rakesh Kumar.
