Course Code	LW563	Title of the Course	Legal Internship Diary and Experiential Learning	L	T	P	C
Year	V	Semester	X	0	1	6	4
Pre-Requisite		Co-requisite					
Course Objectives	The objective of this course is to provide a practical training so that the student is able to understand the implementation of theoretical learning into practical environment.						

Course Outcomes	
CO1	The outcome of this course is to develop advanced professional skills among students in dealing with legal cases.
CO2	The outcome of this course is gain working knowledge in the legal field to enhance practical legal mind to pursue a career as a legal practitioner.
CO3	The outcome of this course is to perfectly sharpen the communicative skills of the students by developing their logical acumen.
CO4	The outcome of this course is to inculcate the spirit of team efforts making them more patient and help them in learning time management even in unstable environment.
CO5	The outcome of this course to make familiar with legal research on one or more matters which the lawyer is handling and also promotes legal drafting skills among them.

As a part of the course curriculum students are required to go for Legal Internship and Experiential Learning after completion of their ninth semester examination of B.A.LL.B./BBA.LL.B. In order to complete their training properly the students are required to be in touch with their assigned faculty guide during their training. They have to submit a Legal Internship and Experiential Learning Report in the department after completion of training; the steps to complete Legal Internship and Experiential Learning are as under:

Unit No.	Title of the Unit	Content of Unit	Contact Hrs.	Mapped CO
Methodology		The purpose of a legal internship and experiential learning in the field of law is to provide students with experience and practical skills in a real-world setting.	45	CO1 CO2 CO3 CO4 CO5
		The students must do a legal internship and also field visit in regard to experiential learning the beginning of the tenth semester.		
		As regards the legal internship, after the completion of internship by the students, the work done by the candidate as recorded in his/her internship diary shall be evaluated by a Board of examiners as constituted.		
		There shall be a viva-voce examination on the Internship Diary and Experiential Learning of the same.		
		Legal Internship and Experiential Learning report evaluation consists of both internal and viva-voce marks of 60 and 40 respectively.		
		Internal evaluation 60 marks consists of preparation of legal diary and field visit.		
		Viva-voce of 40 marks would be awarded based on presentations and viva -voce to be made by the students in the presence of a panel of the faculty members.		
		Any student who does not pass their “legal internship and experiential learning” is required to start over the next year, when a course is offered.
