# Program Outcomes for History Graduates

## **PO1. Domain Knowledge**

Graduates will demonstrate clear and correct understanding of historical periods, processes, movements, and institutions at the local, national, and global levels, enabling them to coherently analyze cause-effect relationships and historical change.

## **PO2. Critical Thinking**

Graduates will develop concise and logical reasoning skills to critically interpret primary and secondary sources, evaluate multiple historical perspectives, and make concrete, evidence-based conclusions about past events.

## **PO3. Social Interaction**

Graduates will interact courteously and inclusively with peers and communities, appreciating social diversity, cultural plurality, and fostering respectful dialogue rooted in historical awareness and understanding.

## **PO4. Effective Communication**

Graduates will convey historical ideas and interpretations with clarity, coherence, and correctness using academic writing, oral presentations, and digital media suited for both professional and public audiences.

## **PO5. Effective Citizenship**

Graduates will demonstrate complete civic awareness by understanding India's freedom struggle, constitutional values, and global citizenship, enabling responsible participation in democratic and nation-building processes.

## **PO6. Ethics**

Graduates will uphold correct ethical practices in historical research, avoiding bias and distortion, respecting source authenticity, and promoting intellectual honesty in the reconstruction and interpretation of the past.

---

### **PO7. Environment and Sustainability**

Graduates will analyze coherent historical patterns of environmental change and human interaction, enabling them to draw lessons for sustainable development and environmental responsibility in the present and future.

### **PO8. Self-Directed and Life-Long Learning**

Graduates will engage in continuous and complete self-learning, staying updated with evolving historical research methods, digital history tools, and global historical developments, ensuring their relevance and adaptability in academic and public life.

## **Program Specific Outcomes (PSOs) for History Graduates**

---

### **PSO1: Application of Historical Knowledge and Perspectives**

Graduates will be able to **clearly and correctly apply** historical knowledge and critical perspectives to **coherently understand** and interpret political, social, cultural, and economic developments across time and space.

---

### **PSO2: Research and Source Analysis in History**

Graduates will demonstrate **concrete and concise ability** to analyze primary and secondary sources, use historical methods, and conduct research with **correct interpretation** of evidence in both academic and public history contexts.

---

### **PSO3: Critical Reflection on Heritage, Society, and Contemporary Issues**

Graduates will be equipped to **completely and courteously assess** the significance of heritage, identity, and historical memory, and relate historical understanding to present-day challenges such as democracy, citizenship, and conflict resolution.
