

**DEPARTMENT OF CIVIL ENGINEERING
INTEGRAL UNIVERSITY, LUCKNOW
BUILDING PLANNING & DRAWING LAB**

The following guidelines provide a brief reminder of the key obligations while using the drawing lab facilities.

Do's

- Come with drawing sheet and drafter .
- Keep silence in the lab.
- Keep the drawing board clean (free from pins & cello tapes).
- Place bags on the shelf provided.
- Before starting your work, check the drawing board thoroughly.
- Complete the drawing sheet within the specified period and checked by the teacher.
- Do respect people and property.

Dont's

- Switch off your mobiles while you are working in the lab.
- Don't throw waste papers in the lab.
- Don't displace drawing board.
- Don't run in the lab.
- Don't spoil the surface of drawing board.
- Don't disturb the fellow students while they are working.
