

Department of Computer Application

Organized

First Alumni Meet

8th February, 2020

Department of Computer Application has organized the First Alumni Meet on 08.02.2020 (Saturday) in department's Smart Class. The alumni meet is conducted in order to reconnect with the Alumni and celebrate their success and various achievements. Dr. Mohammad Faisal, Head Computer Application, welcomed all the dignitaries and all the alumni for responding to the invitation from the department and being present for the alumni meet in spite of their busy schedule. He then proceeded with presenting the department's progress highlighting the various milestones reached in the past year.

The concept of alumni meet evolved for needs from both the ends, i.e. academicians and professionals, with the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and launch of Departmental Alumni Magazine 'ALMANAC' turned into reality.

The department sincerely expresses its gratitude to the Integral University Alumni Association President, Dr. Salman Khan for his guidance and support to make this event a grand success. He appreciated the efforts made by department for taking remarkable initiatives for alumni relationship. His words motivated all the students to look up to their seniors for their bright future. Mr. Mohd. Haleem, Chairperson Department Relationship Alumni Committee (DARC) discussed how Alumni can re-unite in the nest from where they grew and flew off and can help providing job opportunities to fresh bachelors through references.

Mrs. Nashra Javed, Vice-Chairperson Department Relationship Alumni Committee (DARC) also shared the aim and objectives of the Alumni Meet. She has designed and edited ALMANAC, which reflects a trip down memory lane, which chronicled the journey of the department since the last decade.

Diverse alumni share their common experiences:

1. Faiz Ahmed Automation Architect, TCS
2. Shivanshu Srivastava System Engineer, TCS
3. Shubham Kumar CEO, The S_Corp
4. Mohammad Arif, Head of S/W Development, The S_Corp
5. Aniruddh Raj Srivastava, Training Specialist, Birchstreet Systems
6. John Belfore, Sales Manager, Atigo Electronics

They also expressed their views regarding necessities of quality in students for fulfilling demand of industry. Alumni were appealed to show maximum involvement and contribution for the growth of the department. Lastly the meeting was concluded with vote of thanks by Dr. Tasneem Ahmad. The event was stimulating and enjoyable and simultaneously profitable as all members shared their views ideate and good numbers of new ideas, information and insights came up. The department is hopeful to run and successfully structure and position itself into a fully functional global platform for CA Alumni.
